Prize Categories

- **Peer-Nominated Biosafety Champion** - Recognizing outstanding commitment to biosafety. Submit your nominations to: zdrobna@ncsu.edu by the end of October.
- **Best “BioModel” Creation** - Design a biological organism, lab tool, or anything creative—let your imagination run wild! Bring your design to one of the events to share with others.
- **“Haunted” Lab Challenge** - Spot the most safety hazards in our spooky lab and claim the title of top hazard hunter!
- **Uncover the hidden message in this cross-word puzzle.** Submit result to zdrobna@ncsu.edu by the end of October and win the prize.

Let’s build a culture of safety together while making biosafety fun, inspiring, and a little spooky. We can’t wait to see you there!
